

LOOSE TONGUED ALIENS SEIZED

"Keep Your Mouth Shut"
Warning Ignored—
U. S. Acts
SEVEN SENT TO
ELLIS ISLAND
One Spread a "Transport
Sunk" Fake, Another
a "Suicide" Lie

New York, Oct. 30.—Government agents are bringing to account enemy aliens who circulate false stories concerning subjects connected with the country's prosecution of the war. Among the Germans recently interned at Ellis island were several who were charged with giving circulation to such tales. That soldiers at nearby camps are committing suicide almost daily and that men in the national army cantonments are underfed were among the falsehoods these persons are alleged to have told. Another is said to have invented a story of operations of German submarines off the eastern coast of the United States, in formation which, he said, newspapers in this country were forbidden to publish.

This was indicated yesterday when an order in council providing for the establishment of military tribunals in the United States was passed.

This step could be taken only with the consent of the United States government.

ECZEMA ALL OVER MOTHER'S BODY

Began by Itching and Burning,
Could not Sleep. Hands Worst.
Two Cakes Cuticura Soap and One
Box Ointment Healed. Cost \$1.

"My mother had eczema all over her body, her hands being the worst. It began by itching and burning and it took the form of blisters. The blisters would break open and water would run from them which irritated her hands, and she had to wear thin garments. For three weeks she did not sleep night or day, and she could not put her hands in water or do her work.

"Then she used Cuticura Soap and Ointment, and one box of Cuticura Ointment with two cakes of Soap healed her." (Signed) Miss Claire Boivin, Harrisville, R. I., August 24, 1916.

While Cuticura Soap works wonders in most cases of skin troubles it is also ideal for every-day toilet use. Cuticura Ointment used for little irritations, pimples, etc., will do all and more than the majority of expensive creams in keeping the skin soft and clear.

For Free Sample Each by Return Mail address post-card: "Cuticura, Dept. R, Boston." Sold everywhere.

Try Making Your Own Cough Remedy

You can save about \$2. and have a better remedy than the ready-made kind. Easily done.

If you combined the curative properties of every known "ready-made" cough remedy, you would hardly have in them all the curative power that lies in this simple "home-made" cough syrup which takes only a few minutes to prepare.

Get from any druggist 2½ ounces of Pinex (60 cents worth), pour it into a pint bottle and fill the bottle with plain granulated sugar syrup. The total cost is about 65 cents and gives you a full pint of really better cough syrup than you could buy ready-made for \$2.50. Tastes pleasant and never spoils.

This Pinex and sugar syrup preparation gets right at the cause of a cough and gives almost immediate relief. It loosens the phlegm, stops the nasty throat tickle and heals the sore, irritated membranes that line the throat, chest and bronchial tubes, so gently and easily that it is really astonishing. A day's use will usually overcome the ordinary cough and for bronchitis, croup, whooping cough and bronchial asthma, there is nothing better.

Pinex is a most valuable concentrated compound of genuine Norway pine extract, and has been used for generations to break up severe coughs. To avoid disappointment, be sure to ask your druggist for "2½ ounces of Pinex" with full directions, and don't accept anything else. A guarantee of absolute satisfaction or money promptly refunded, goes with this preparation. The Pinex Co., Ft. Wayne, Ind.

NATIONAL AGENTS ORDER PORTLAND STRIKE ENDED

Local Representatives of Adjustment Commission Demand That Freight Handlers Return to Work.

Portland, Me., Oct. 30.—The 36 striking freight handlers at the docks of the Grand Trunk railway were ordered to return to their work, pending an adjustment of their controversy about wages by the local representatives of the national adjustment commission at the conclusion of a hearing yesterday. The strikers were to meet last night to decide whether to comply. The commissioners on Wednesday will hear evidence on the question of increased wages for the men.

YOUR SICK CHILD IS CONSTIPATED! LOOK AT TONGUE

If Cross, Feverish or Bilious, Give "California Syrup of Figs"

No matter what ails your child, a gentle, thorough laxative should always be the first treatment given.

If your little one is out-of-sorts, half-sick, isn't resting, eating and acting naturally—look, mother! see if tongue is coated. This is a sure sign that its little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach ache, diarrhea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated poison, undigested food and your little gem's moves out of its little bowels without gripping, and you have a well, playful child again.

Mothers can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach, and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a bottle of "California Syrup of Figs," then see that it is made by the "California Fig Syrup Company."

SOCIALISTS ATTACK HILLQUIT

Charles Edward Russell and Others Accuse New York Candidate for Mayor.

New York, Oct. 30.—A group of radicals who formerly were prominent in the councils of the Socialist party, including Charles Edward Russell, William E. Walling and Charlotte Perkins Gilman, made public Sunday night a statement in which they declared the position taken by Morris Hillquit, Socialist candidate for mayor of New York, is not that of the international Socialist movement.

"We accuse Hillquit," the statement said, "of giving needless aid and comfort to the enemies of democracy the world over. He must know that a peace to-day would save German militarism and achieve the destruction of the Russian revolution. He knows that German militarism saved would mean the establishment of militarism in all the great nations, including the United States, and would sound the death knell for liberty and democracy everywhere."
